

STUDY IN AUSTRALIA SEMINAR

11 March 2013

The Australian Consulate-General, Hong Kong and the Committee of Home School Cooperation invite you to a Study in Australia seminar.

Planning for your child's future education journey is important. Study pathway options available in Hong Kong and overseas at the high school and higher education level are many and varied. We invite you to meet with the Education Managers from the Australian Consulate-General and representatives from an Australian boarding school and higher education institution to learn more and ask questions about boarding schools and life at an Australian university. Don't miss this opportunity, register early as there is limited seating.
